SECTION E: Declaration							

- I declare that all the information furnished on this Application is true and correct and that any false information can lead to legal action.
- I accept the conditions set out in the By-laws and regulations for the control and use of electricity and water, as amended from time to time.
- I declare that, should any dispute (whether political or not) whatsoever arise between BFW Metering and myself I will continue to pay my account or any amounts owed in terms of this agreement in full. If a levy or charge is in dispute due to the levy or charge being abnormal, I undertake to still pay the account or an amount equal to the average of the previous three months for the levy or charge in dispute until my query has been finalised and settled in full.
- I accept liability for any tracing costs and/or legal costs incurred owing to my default.
- I accept liability for any outstanding account or an amount in respect of the premises if Section B has not been completed correctly.
- I declare that I will not be exempted from settling any accounts or amounts owing in terms of this agreement if I have not received such an account or documentation for such an amount.
- I accept that interest on any outstanding accounts or amounts will be charged by BFW Metering at a rate of 2% per month as provided for in the National Credit Act, Act no. 34, 2005.
- I accept liability for all consumption on the premises until such date on which BFW Metering receives a written notice of cancellation of this agreement in terms of services to the premises from me, which notice must be received 48 hours before the required time of cancellation.
- I accept that BFW Metering has the authority to terminate a service due to non-payment of any other services rendered by BFW Metering in terms of this agreement, irrespective of BFW Metering's tariff structure for services, which can include free basic services where applicable.
- I accept that payment made by me will be allocated to outstanding balances of the various services in the following order:

i.	Outstanding balances	ii.	Interest on these amounts	iii.	Water and Sanitation	iv.	Assesment and Refuse removal
v.	Sundry levies	vi.	Electricity				

- I accept my responsibility to ensure that BFW Metering personnel have access to their meters or equipment or, alternatively, I will arrange for BFW Metering to move the meter or equipment, at my own cost, to the outside of the premises where access is not obstructed.
